Our remote wilderness is easily accessible. There are numerous easy options:

- Private charter from Wilson to our private airstrip is a 50 minute flight, then 15 minutes drive to the lodge
(Only 290 USD pp extra than the scheduled flights / transfers option.
Less per person when more than 2 people travel)
- Nairobi Wilson airport to Loisaba by scheduled air service is a 1h 25 minute flight, then a 90 minute gentle road transfer to Ol Lentille
- Nairobi to Ol Lentille driving is between 5-6 hours and not recommended
- For the ultimate arrival guests can easily arrive by helicopter
- Best way to leave us is by charters which are more cost effective than you may think
- As most guests combine Laikipia with the Masai Mara - charter flights from our airstrip on a 90 minute direct flight to the Mara are very good value and only 425 USD pp more than the scheduled flight and road transfer option. The more people in the plane the less the pp price
