2023 RATES

RATES VALID TO 4 JANUARY 2024

**Located at one of the highest points in northern Kenya's spectacular Laikipia region, Ol Lentille is regarded as one of Kenya's most unique lodges.**

Ol Lentille consists of four luxurious private villas that enjoy highly personalised and discreet butler service. All villas are reserved for exclusive use except for Acacia which can be sold as two separate suites. Villas can be booked in any combination depending on your group's size.

Our private conservation area stretches across 40,000 acres of magnificent hills and valleys – an untouched, awe-inducing landscape affording guests the ultimate in privacy.

As a pioneering conservation, community and sustainability project in partnership with the local Maasai and Samburu communities, we're proud to offer pristine game viewing, authentic cultural experiences, unforgettable activities and first-class hospitality.

We invite you to immerse yourself in the sacred beauty of your surroundings and walk as one with its people while discovering what it's like to be part of our carefully balanced eco-system. When guests leave, our greatest pleasure is that they feel renewed, inspired and infused with a sense of wonder.
