THE SANCTUARY  
 AT OL LENTILLE

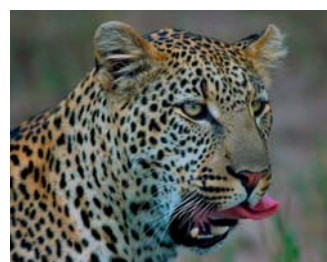

Ol Lentille is four lavish private villas (1, 2 and 3 bedroom villas) where distancing is built in, with discreet butler service and spectacular views set in our private conservation area of over 40,000 acres of stunning hills and valleys. This untouched private landscape is over three times the size of Manhattan and offers our guests the ultimate exclusivity and privacy. All villas are booked for exclusive use so you can book any of the combination of the four villas depending on your group size or book all four villas for exclusive use - very flexible selling options.

We are a pioneering conservation, community and sustainability project in partnership with the Samburu and Maasai communities at one of the highest points of Laikipia. Exclusivity, pristine game viewing, authentic cultural experiences, numerous activities and first class hospitality are offered in abundance.

Guests leave us relaxed, refreshed and in awe of our special location and experiences, aware of what it really means to be green, and happy in the knowledge they have made a contribution to the healing of the planet.

## **EXCLUSIVE USE - THE PERFECT SAFE HAVEN**

We are the perfect choice for celebrations and special safari breaks in style. Our four villas are all very unique and different and there are a maximum of 7 bedrooms so we can accommodate a maximum of 14 adults. The Sultan's House living room can be converted to a bedroom taking occupancy to 16; bedrooms are large so children can be accommodated in triples. Exclusive use rates are highlighted above and represent incredible value.

## **CHILDREN**

We are very child friendly and welcome children of all ages. When there are two sharing adults the children will have their own adjoining bedroom and bathroom at only 50% of the adult rate. Nanny services are available at no additional charge. All children are the responsibility of the parents. The 4 for 3 free night offer is also valid for children.

## **PASSPORTS AND VISAS**

Our guests must ensure all their passports and visas are valid before arrival.

## **SPA**

OL Lentille is the perfect place to recharge and unwind. Our unique formula of unlimited spa treatments ensure that all our guests leave feeling relaxed, refreshed and much better than they arrived!

Exclusivity is what we are known for, no sharing of dining spaces or safari vehicles, all our game drives and activities are offered on a private basis by our very experienced local guides. If you want to bring your own private guide this can be accommodated.

## **TRAVEL INSURANCE**

All guests travelling must have comprehensive travel insurance including cancellation, medical insurance, and emergency evacuation coverage. We can organise a temporary 14 day emergency medical evacuation cover with AMREF Flying Doctor service for \$20 per person.

## **INTERNAL FLIGHTS AND TRANSFERS**

For internal flights in Kenya guests are advised to pack in soft bags with a maximum of 15 kg per person due to the small internal planes. Main access to us is via Loisaba (one way transfers from Loisaba to the lodge are 200 USD for a car and a fascinating 90 minute drive). We also have a private airstrip only fifteen minutes from the lodge for charter flights and have plenty of space at the lodge for helicopter arrivals. Our remote wilderness is easily accessible.

## **LIABILITY**

OL Lentille and the owners, directors, management or employees of the lodge shall not assume liability for any illness, injury or death to persons visiting the lodge or the OL Lentille conservancy, nor for any other incident of any nature involving any guests while they are on the property nor while travelling to and from the property.
